Namib Lead & Zinc Mine
Environmental Impact Assessment

North River Resources (Pty) Ltd proposes to apply for a Mining Licence to reopen an old mine and produce lead and zinc concentrates. The site is in the Dorob National Park, west of Rössing Mountain. Via the B2 tar road, it is about 23km northeast of Swakopmund (or 34km from Arandis) and 85km north of the tar road.

The project involves underground mining, crushing, milling, chemical processing, and disposal of the tailings on site. It is proposed to draw water from the pipeline supplying Rössing Mine. The products will be transported by road to the Port of Walvis Bay for export.

Colin Christian & Associates CC is undertaking an Environmental Assessment and Management Plan. All interested and affected parties are invited to attend a public meeting in Swakopmund on:

21 May 2013 at 09:00 until approximately 13:00
Sea Side Hotel and Spa, Dolphin Drive, Mile 4.

To register as an interested or affected party, please contact Maureen (Cell: 0613462020 or Email: maureen.tidler@gmail.com), or Colin (Tel: 061-302296, Fax: 061-302297).
Spain services sector shrinks in April at fastest rate in 2013-PMI

Madrid - Spain’s services sector shrank in April at its fastest rate this year, a survey showed yesterday, as the country’s economic slump and rising joblessness weighed on consumer sentiment and new business. Markit’s Purchasing Managers’ Index for private-sector service companies, which accounted for just under half of gross domestic product last year, fell to 44.4 in April from 45.3 in March.

It was the index’s 22nd straight month below the 50 line separating growth from contraction. “Survey respondents highlighted the Spanish economic crisis as the main factor causing the ongoing decline in the sector, with customers reluctant to spend,” said Markit economist Andrew Harker. “Hopes that a recovery would get underway in the second half of this year are fading fast as the vicious cycle of job cuts and falling demand shows no sign of letting up.” The economy is expected to shrink throughout this year and, while the government sees moderate...
