07 November 2013

Dear Interested & Affected Parties,

You are cordially invited to the second public meeting for the proposed Namib Lead & Zinc Mine on 21 November 2013. Please refer to the attached advertisement, which also appeared in the newspapers on 07 Nov. The results of the Environmental Impact Assessment (EIA) will be presented at that public meeting.

The Draft EIA Report will soon be made available for public comment, and you will be notified of the website address where you can read it. Once it is available, comments may be submitted to us in writing, if you wish to do so.

Kind regards,

Environmental Scientist

Namib Lead & Zinc Mine
Environmental Impact Assessment
Second Public Meeting

North River Resources (Pty) Ltd proposes to apply for a Mining Licence to reopen the old lead and zinc mine in the Dorob National Park. The site is west of Rössing Mountain, about 23km from Swakopmund or 34km from Arandis, and 8km north of the B2 tar road.

The project involves underground mining, chemical processing, and disposal of the tailings on site. The products will be exported via the Port of Walvis Bay.

Colin Christian & Associates CC will present the results of the Environmental Impact Assessment at a public meeting in Swakopmund on: -

21 November 2013 at 10:00 (till approximately 13:00)
Municipal Conference Centre,
Cnr Swakop & Hendrik Witbooi Streets.

To register as an interested or affected party, please contact Maureen (Cell: 0813462020 or Email: maureen.fidler@gmail.com), or Colin (Tel: 061–302296, Fax: 061–302297).
