Dear Interested & Affected Parties,

The Draft Environmental Impact Assessment report for the Namib Lead and Zinc Mine is now available to the public for comment – see website below.

The website address is [http://www.northriverresources.com/Operations_documents.aspx](http://www.northriverresources.com/Operations_documents.aspx) You can click on this link to get there directly.

Alternatively, you can go to [http://www.northriverresources.com/project-namib.aspx](http://www.northriverresources.com/project-namib.aspx) then at the bottom of the page click on the link that refers to Environmental Impact Assessment.

The report is made available so that Interested & Affected Parties can read it and confirm that the issues raised during public participation have been addressed in the EIA. Comments on the Draft EIA Report may be submitted to us in writing, if you wish to do so. Any written submissions should reach us not later than 29 November 2013.

You are also reminded of our invitation to the second public meeting on 21 November 2013. Details are provided in the attached press advertisement.

Kind regards,

Environmental Scientist

Namib Lead & Zinc Mine
Environmental Impact Assessment
Second Public Meeting

North River Resources (Pty) Ltd proposes to apply for a Mining Licence to reopen the old lead and zinc mine in the Dorob National Park. The site is west of Rössing Mountain, about 23km from Swakopmund or 34km from Arandis, and 8km north of the B2 tar road.

The project involves underground mining, chemical processing, and disposal of the tailings on site. The products will be exported via the Port of Walvis Bay.

Colin Christian & Associates CC will present the results of the Environmental Impact Assessment at a public meeting in Swakopmund on:-

**21 November 2013 at 10:00 (till approximately 13:00)**
Municipal Conference Centre,
Cnr Swakop & Hendrik Witbooi Streets.
